

Institute for Strategic Policy Solutions
at St. Petersburg College presents:

[SEA LEVEL]

RISE UP: REALITIES & OPPORTUNITIES

A TWO-DAY CONFERENCE TO ELEVATE AWARENESS & ACTION
Friday, April 5 & Saturday, April 6

SPC Seminole Campus Conference Center
9200 113th Street North, Seminole

What does the National Climate Assessment mean for Tampa Bay communities?

Join us and learn the facts in the latest report and delve into what's being done to address the challenges ahead and already arising. Friday will focus on actions undertaken by local government and businesses plus a look at how the media is furthering climate awareness. Saturday's sessions will address real estate values, mortgages and insurance, and how individuals can become civically engaged in the climate conversation.
